Investment Consultant

NEPC

NEPC helps governments, institutions, families and individuals preserve and grow their capital across different asset classes and market cycles. Our research-driven investment solutions are tailored to support our clients' unique financial goals, constraints, beliefs and time horizons. As trusted and thoughtful stewards of capital, we measure our accomplishments by the success of our clients. Our greatest strength is our people, an exceptional and diverse group of professionals united in their commitment to fulfilling our clients' long-term financial objectives. NEPC currently has \$1.7 trillion in assets under advisement.
