Part V Supplemental Information

Provide the information required by Part I, line 2 (monitoring of funds); Part I, line 3, column (f) (accounting method; amounts of investments vs. expenditures per region); Part II, line 1 (accounting method); Part III (accounting method); and Part III, column (c) (estimated number of recipients), as applicable. Also complete this part to provide any additional information. See instructions.

Part I, Line 2:

The U.S. Department of Treasury recognizes two methods of international grantmaking: equivalency determination and expenditure responsibility.

The Chicago Community Trust utilizes a third party to assist in its due diligence for completion of both equivalency determination and expenditure responsibility processes related to international grant making.

Equivalency determination (ED) is conducted to assess whether a potential non-U.S. Grantee organization is the equivalent of a U.S. Public Charity. It involves collecting certain information from the grantee about its origins, activities and finances through an affidavit. The Chicago Community Trust utilizes a third party that assesses the respective organization, coordinates with an independent Qualified Tax Practitioner to deliver an ED letter and written analysis, and provides an ED opinion for The Chicago Community Trust's ED grants. Additionally, The Chicago Community Trust engages outside legal counsel for ED opinions.

Expenditure responsibility (ER) is conducted when making a grant to a domestic or international organization that is not a U.S. Public Charity or determined to be the equivalent of a U.S. Public Charity. The Chicago Community Trust uses reasonable efforts and adequate procedures to ensure that a grant is spent only for the purpose for which it is made and obtains full and complete reports from the grantee organization on how the funds are spent. The Chicago Community Trust requires that its overseas grant recipients complete a pre-grant screening process, facilitated by a third party, which begins with a questionnaire

Part V Supplemental Information

Provide the information required by Part I, line 2 (monitoring of funds); Part I, line 3, column (f) (accounting method; amounts of investments vs. expenditures per region); Part II, line 1 (accounting method); Part III (accounting method); and Part III, column (c) (estimated number of recipients), as applicable. Also complete this part to provide any additional information. See instructions.

requesting organizational information such as mission, financials and

board composition. This questionnaire also requires specific details

regarding the planned use of grant funds, including the proposed budget,

to ensure that the funds are intended for charitable purposes. The

Chicago Community Trust also reviews these reports to confirm that

"Specifically Designated Nationals" ("SDNs") are not principals of, board

members of or substantial contributors to the recipient organization. The

Office of Foreign Assets Control of the U.S. Treasury designates SDNs as

individuals or companies owned or controlled by, or acting for or on

behalf of, countries that are economically sanctioned for such activities

as terrorism or narcotics trafficking.

If all components of the screening process meet The Chicago Community

Trust's standards, the grant is approved. The recipient must agree in

writing to provide a financial and narrative reports on the use of the

grant funds in accordance with the pre-determined reporting schedule set

by The Chicago Community Trust. A third party recommends specific

reporting deadlines (annual and final) based on the grant

activities/expenditures and the grant timeline. The Chicago Community

Trust coordinates with the third party no less than annually to monitor

the status and due dates of grant reports and any notes or actions taken

until the grant funds have been fully expended. If the recipient fails to

submit the report, that organization becomes ineligible to receive future

grants from The Chicago Community Trust.

RFPs outlining the purpose of the grant, the population to be served, and

the expected outcomes. Staff review the proposal package to determine the

above \$500,000. If approved by either the CEO or the board, the funding request is awarded. Upon award, the grant management office prepares the grant agreement that includes the purpose of the grant, the grant conditions and the grant payment schedule. The grantee organization must accept the grant by executing and returning the grant agreement to The Chicago Community Trust. Once received, payments are initiated by the grant management office based on the payment schedule and provided that all grant conditions are met. At the conclusion of the grant period, the grantee submits a final report describing the use of the grant and the outcomes. Donor advised grant recommendations are submitted by the advisor of the fund to the Trust. The grant management office conducts due diligence on each recommendation which includes carefully vetting the grantee organization for 501(c)(3) status, charitability, and other legal requirements. Once due diligence is completed, the recommended grants are validated and authorized for payment by the grant management office. The Chicago Community Trust also awards grants through a designated grantmaking process. This process allows donors to direct funding to specific charitable organizations. The grant management office conducts due diligence on each recommendation which includes carefully vetting the grantee organization for 501(c)(3) status, charitability, and other legal requirements. Form 990, Part III, Line 4a, Part 1:

The Chicago Community Trust unites generous donors, committed
nonprofits, and caring residents to effect lasting change that will
advance our entire region.

At the Trust, we believe people are our region's greatest asset. When
everyone is contributing to and benefiting from our economy, our region
will thrive. As a community foundation, the Trust is committed to
addressing challenges that stand in the way of a thriving Chicago
region where everyone has opportunities. As part of that mission, the
Trust supports meeting people's critical needs such as secure housing
and healthy food, public safety, and regional response to crises such
as COVID-19. We also know that our region's wealth gap is a major
contributing factor to issues such as health disparities, gun violence,
and uneven economic growth. We are committed to reducing this gap so
that our region and its residents can meet their potential.

In 2024, the Trust continued its commitment to strengthening the
Chicago region by meeting residents' immediate needs, addressing the
root causes of deep-seated issues, and working toward a day when every

their future.

Key accomplishments in fiscal year 2024

In fiscal year 2024, the Trust's staff and Executive Committee completed a strategic refinement with more precise and measurable program goals.

In FY2024, the Trust made 347 competitive grants to 272 organizations totaling \$56.8 million to advance its strategic priorities. Much of this work focused on communities suffering from high rates of poverty and a lack of wealth. These figures include grants made through We Rise Together: For a Just & Economic Recovery, Elevated Chicago, Connecting Capital and Community, Chicagoland Workforce Funders Alliance, and Fund for Equitable Business Growth, funder collaboratives housed at the Trust. It also includes grants by Bridges to Brighter Futures funded by the Searle Funds at The Chicago Community Trust. The following are some highlights of how this year's grantmaking embraced the Trust's aim to be a changemaker, addressed equitable economic recovery from the pandemic, and advanced strategic priorities.

Household Wealth

In FY24, this portfolio made 99 grants totaling \$19.3 million.

The Trust and Searle-funded Bridges to Brighter Futures made 87 grants totaling \$14.9 million to support postsecondary and career pathways and grow income.

The Trust made 12 grants totaling approximately \$4.4 million to support housing development, housing counseling, and the creation of new loan products.

Connecting Capital and Community (3C) is a funder collaborative housed at the Trust. Its 2024 grantmaking secured 76 vacant lots and completed six new homes. 3C's "Make This the Year" marketing campaign increased home buyer awareness in East Garfield Park and Humboldt Park, leading to 16 new homeowners. It also piloted two \$1 million experimental loan pools: one for buyers and one for developers.

Fund for Equitable Business Growth, a funder collaborative housed at the Trust, made 12 grants totaling \$1.3 million to Business Support Organizations serving small businesses. Grant recipients engage in partnerships that improve and expand access to capital and provide specialized business consultation services and other support for entrepreneurs in the Chicago region.

Chicagoland Workforce Funder Alliance (CWFA) is a funder collaborative housed at the Trust. Since 2012, CWFA has become the region's major convener of the philanthropic community interested in workforce development and employment. In 2024, CWFA made seven grants totaling approximately \$600,000 to support workforce development systems change initiatives, including within the human services and early childhood sectors.

Community Wealth

The Trust's Community Wealth strategy aims to increase neighborhood

investment by prioritizing funding for community-led initiatives

designed to transform underinvested communities suffering from high

rates of poverty, preserve residents' stakes in gentrifying areas, and

ensure assets benefit current and future residents. In FY24, this

portfolio - including Searle Funds through Food:Land:Opportunity and We

Rise Together - funded 78 unique grant recipients through 98 grants

totaling \$19.8 million.

The Pre-Development Fund (PDF) is a first-of-its-kind program launched

in 2020. In 2024, a survey of PDF-funded projects found five are

completed and open (four of which also received We Rise Together

grants), four are under construction, and seven plan to start

construction within the first half of 2025.

Collective Power

The Trust's Collective Power strategy amplifies marginalized voices,

supports mediums that elevate community stories and counter harmful

narratives, and empowers residents to ensure that those most affected

lead neighborhood transformation, policy and practice change, and civic

efforts. In FY24, this portfolio made 54 grants totaling \$5.5 million.

This included funding for the Trust's affinity funds, leadership

development, Press Forward Chicago.

The Trust spearheads Press Forward Chicago, the local affiliate of a

national initiative led by the MacArthur Foundation to raise

unprecedented funds to revitalize local news. Through the initiative,

donors work together to support the experimentation and learning that

will yield scalable solutions to the local news crises. In 2024, Press

Name of the organization	Employer identification number
The Chicago Community Trust	36-2167000

Forward Chicago awarded \$1.6 million in capacity-building grants to 13

local news organizations across the region.

Policy Change

The Trust's Policy Change strategy prioritizes advocacy for policy

reform that advances increasing household wealth, building community

wealth, and addressing Chicagoans' critical needs. This includes

stabilizing housing for people who are unhoused or struggling to keep

it, putting residents on a pathway to sustainable homeownership and

successful employment, and driving public and private investment into

underinvested communities suffering from high rates of poverty. The

FY2024 Advancing Equitable Wealth Policy funding program supported both

individual organizations and coalitions that are creating the

conditions to advance meaningful policy reforms.

The Trust also successfully advocated for the Illinois Child Tax Credit

(CTC), designed for taxpayers who qualify for the Illinois Earned

Income Credit and have at least one dependent child who is under the

age of 12.

Critical Needs

The Trust's Critical Needs strategy supports programs and services that

help Chicagoans meet their basic needs to achieve economic stability

and security, including housing, food and nutrition, and other human

services. As it has since it was founded, the Trust also steps up in

the face of unanticipated and ongoing crises, such as the COVID-19

pandemic and, gun violence, in partnership with philanthropic,

government, corporate, and civic actors. In FY24, this portfolio

Name of the organization	Employer identification number
The Chicago Community Trust	36-2167000

provided 72 grants totaling \$7 million to support community safety, homelessness prevention, and other services addressing resident's critical needs.

The Trust launched Sustainable Solutions for Housing Stability to support nonprofits working to increase housing stability for underserved populations. We granted more than \$2.375 million to 26 organizations.

In 2024, the Trust committed \$2.5 million to Scaling Community Violence Intervention for a Safer Chicago (SC2), a public-private collaboration to expand promising and proven solutions to gun violence to scale in Chicago communities most at risk.

Since the Great Recession, the Unity Fund at the Trust has raised more than \$20 million for our region's critical needs. Contributions to the Unity Fund in 2024 allowed the Trust to grant \$2 million to 22 nonprofits focused on preventing homelessness and other critical services.

We Rise Together: For an Equitable & Just Recovery

We Rise Together: For an Equitable & Just Recovery, a funder collaborative led by the Trust, is working to strengthen local neighborhood economies to support a strong region for all. In 2024, We Rise Together invested \$8.925 million through 18 grants to community-driven real estate projects, workforce development, and support for local businesses. The initiative has supported resident-driven real estate projects in underinvested communities
